WEDNESDAY MORNING, DEC. 28, 1864.

Our English Cousins.

The London *Times* has established an unenviable reputation for itself, during the progress of the American conflict, not more by indulging in a series of prophetic visions of Federal defeat and Confederate success, than by a continual venting of miserable spite against our nationality and our cause. Invariably the *Times* has missed it. Its inspirations were false, and its ill nature has left it the laughing stock of the civilized world; while, despite its flatteries and caresses, the chivalry have dwindled down to where they can no longer command respect abroad nor maintain unity of feeling at home.

Among those who seek to imitate the Thunderer, is the Victoria *Express*, a copy of which before us in the true sensation style, announces to the world that Savannah is not taken, and that Thomas lost 3,000 men in Tennessee, instead of 300 as was accidentally reported. The last item in particular is special cause of rejoicing with the *Express*, and appears set forth in most prominent and satisfactory light, at least to itself and other rebel sympathizers. A short editorial cites the world to witness the fact, and calls statements "infamous frauds" that appear one day only to be denied the next. There was nothing to be gained by the error, and, the assertion of the *Express* that these were "infamous frauds" attempted by our Government, is not any less or more contemptible than the person who indulges in them. We notice that some of the papers published in Victoria speak with decent respect of our Government, and of the cause it maintains; but there are others there indulging their hostility after the pattern set by the London *Times* and while the last is contemptible enough, the former are only a contemptible imitation.

Vituperation.—If there be any meaning whatever in the vituperation that the Copperhead papers of the State deal forth with every issue since the election, it must signify that the "situation" is too much for them, and all the venom in natures that have been cultivating noxious feelings for four years in the vain expectation of succeeding to the coveted inheritance in '64, boils over in the bitterness of defeat. It is bad enough for them to be defeated at the polls—overwhelmed with a disappointment that is only as utter and complete as it seemed to be unexpected. Their hope of electing McClellan may not have been sanguine, but they had no idea that annihilation would result where they almost anticipated success. What they hope for now Heaven only knows; the tide of battle is against them as bitterly as the ballot-box. Sherman has marched over their fondest hopes, and Thomas has frightened the legions of Hood away from the sacred precincts of the "last ditch." It only remains for Federal successes to wind up the rebellion, for Union sentiment to manifest itself where treason flourishes, and then the very name of Democracy, as preached by modern Copperheads, will sink into the lowest depths of infamy, where open treason will look down upon it with contempt. To commiserate them would be pity thrown away; to sympathise with them is impossible, and to expect better of them would be ignoring the experience we have gained of them in years before. Under these circumstances of blighted hopes, and natural despair, we expect nothing less than to see their columns filled with the same bitter misrepresentations, utter falsehoods, and infamous slanders that so properly become them.

We are free to confess that some of them strive not to violate all the decencies of public and private life, and do not prostitute every idea of principle to party malice and partisan hate; whenever they will treat public questions with reasonable fairness, we will freely concede that also.

To be Hung.—Henry Deadmond, arrested for the murder of George W. Meek and Crawford Isbell, at Willow Creek, Wasco county, on the road from Eugene to Canyon City, some 160 miles from Eugene City, was tried at the Dalles last week,—the trial lasting from Wednesday morning till Friday night—found guilty and condemned to be hung on Friday, February 17th, 1865, at Dalles City.

Out and Injured.—The Eugene City *Review* claims Bledsoe as a Democrat, a victim of the insatiate party spirit of Governor Gibbs and Judge Stratton. You are right in claiming "Matt" and all his kind as "Democrats," and welcome to all the capital you can make off of him. But what next?

Lizzie Lester intends to go to Salem to-day, and will read there on Thursday evening. We hope the people there will remember the *Pacific Monthly*, a magazine representing the Pacific coast and striving to cultivate a worthy taste for home literature; and also that they will not forget to hear the readings of the editress.

Ladies' Fair at Honolulu.—We learn from the *Commercial Advertiser*, at Honolulu, that the ladies there held a Fair for the benefit of the Christian Commission realizing, clear of all expenses, the amount of about one thousand eight hundred dollars.

Recruiting in Lane County.—A friend writing us from Eugene City, says there have been fifty recruits raised in that county already. Judging from this, Lane County will easily raise its quota.

Nevada Senators.—J. W. Nye and William M. Stewart have been elected by the Legislature of Nevada, to represent that State in the Senate of the United States.

Grant County Quota.—Capt. Borland, we learn from a friend writing from Canyon City, has raised 26 men of the 70 demanded of the new county of Grant.

No Dispatches.—The wires have been down to the south since Saturday evening, and we have no Eastern dispatches for our columns this morning in consequence.

Editorial Change.—We see by the valedictory found in the Eugene City *Review* this week, that James [illegible] retires from the editorial charge of that paper.

Clatsop County Quota.—This county has completed its quota of eleven recruits, who are expected upon the [illegible].

Boise Mines.

Pomona, I. T., Sept. 8, 1864.

Editor Oregonian:

The dreaded winter is at hand [illegible] has made its [illegible] without [illegible] adding [illegible] tall pines and craggy mountains. When the train of thought leaves the miserable [illegible], and [illegible] within our door, the scenery changes, and we recall bye-gone days. Before going any further, let me describe our cabin, which is [illegible] half mile from Centreville. [illegible] the left of the [illegible] road leading to Idaho City stands a log cabin [illegible] feet, the roof extending eight feet [illegible] building, a pile of pitch wood [illegible] the left of the door; over the wood hangs the fore and hind quarters of a beef. Under the [illegible] porch is [illegible] a hand sleigh used for hauling [illegible] and articles from town. We open the door and go in. Description is almost impossible, but I will endeavor to depict the scene. On the left side of the room is stored any amount of provisions, over which is fixed two bunks, one above the other. To the right of the fireplace stands a small table on which is piled books, papers and numerous other small articles too numerous to mention; and still to the right is a goods box nailed to the wall for a cupboard which is filled with all kinds of cooking traps. On the right hand side of the room is the window, one pane of glass constitutes the size, under which is placed the dining table. The right hand side of the room is ornamented with a large mirror and pictures, among them is seen Abraham Lincoln and his Secretaries, Generals, Forts, battles, etc.

Peace and stillness reign supreme. Memory cannot be contented. The past is viewed as imperfectly spent, the future pictured in glowing colors, and a world of wealth and happiness within a year's grasp. Our mountain home—three years ago a wild, savage wilderness—has undergone a serious change, from the wild to the tame.

Some dozen quartz mills are now in full operation, testing and receiving the wealth from our numerous quartz lodes. The Gambrinus mill, after eighty hours crushing rock, cleaned up $29,000 in amalgam. The first week's run of H. H. Raymond's mill on Granite Creek yielded fifty pounds. At Owyhee the Morning Star [illegible] from the first ten tons of rock, extracted one ton of amalgam. Some of the richest ledges are the Pomona, Kentucky, Allen, Goldhill, Benton, Chickahominy and Astor. Young Idaho, when thoroughly developed, will be the Queen of Wealth on our little slope of the Rocky Mountains. Her little fertile valleys and grassy plains will furnish homes for thousands of people for ages to come. Her numerous water privileges are excellent and available. By-the-way, the Vallison Water Co. are digging two ditches, which are estimated to carry five thousand inches of water each. One of them begins near the upper end of Beaver Dick's ranch, on the north-east side of Boise river. This ditch is designed to furnish Boise valley with water for mechanical, agricultural, mining and city purposes. The other ditch is the same size as the first named, and the water is to be taken out at Rocky Point. It will run down the valley between the first and Boise City, and will furnish water to irrigate the whole valley on the north side of the river, and water for mills, &c. We are glad the work is rapidly approaching completion.

Below is a note of distances from Boise City to different mining camps:

From Boise City to Owyhee, 65 miles; to Placerville, Centreville, Pomona, Idaho City, 35 miles, N. E.; to Silver City, Crooked river, Yuba creek, Middle Boise, 70 miles, N. E.; to South Boise, Rocky Bar, Happy Camp, 80 miles, E.; to Salt Lake City, 290 miles, E.

Centreville is making preparations for winter amusements; sleighs are being built and a dancing school is being organized. It is a pretty fast place, yet very quiet.

The Pioneer Ditch Company are extending their ditch down Grimes' creek, which will cover plenty of good mining ground. The miners, as a general thing, are "holed up" for the winter, excepting when a good quartz lode is discovered, when out they rush, armed to the teeth with picks and shovels, and charge around feet.

Pomona is a new town, just located by John Wallace & Co., and lies between Centreville and Idaho City, just below the junction of Gold Channel with Quartz Gulch. The elevated mounds around Pomona are dotted with cabins of miners who are engaged in searching for hidden wealth.

Mining on Elk creek and Moores' creek is about suspended on account of the creeks breaking in and filling up the diggings. William F. Glenn & Co., estimate their damages at $500, and other claims below are badly damaged.

J. F. J.

Clackamas County Volunteers.

Milwaukie, Dec. 26, 1864.

Editor Oregonian:

The people of Clackamas have interested themselves in the work of raising the quota required of this county for the new regiment and have succeeded in filling the same, and raising seven more men than our complement. Under these circumstances we feel that we have some interest in the question as to who shall be the officers appointed for the company of which our men will compose the greater part, and would respectfully urge that we have some claim to be remembered in that connection, and that a good man can be found in this county to fill a prominent position in said company.

CLACKAMAS.

The Keans Again.—During the last two evenings our citizens have had the opportunity to see these distinguished artists perform in two of Shakspeare's most remarkable plays—Hamlet and Macbeth. It would be difficult for any other play to stand equal in our estimation with the "Merchant of Venice," as performed by them when first arrived, and it is only in Macbeth that Mr. Kean comes anywhere near equalling his success in acting Shylock. Hamlet as performed by him, is certainly well done, but the age and character personated is not easily assumed by one of as mature age as Mr. Kean.

Our citizens have witnessed real dramatic talent in the few representations the Keans have given us, that was not to be expected on this stage, and we regret that larger audiences were not present to appreciate acting the great excellence of which, when seen, will add new charms to the reading of the poet's works.

We will not attempt an extensive criticism of the performance of Mr. and Mrs. Kean, but we must acknowledge to the excellence of Miss Chapman and Messrs. Cathcart and Everett, who accompany them. Miss Chapman as Ophelia succeeded well, most especially in singing the airs peculiar to her part. Mr. Cathcart, as Macduff, elicited perhaps the heartiest rounds of applause that were given during the evening, and his excellent acting elicited much commendation.

We fear the Manager failed to realize the reward due to his enterprise, if he even saved himself from loss, in securing us a pleasure we may not soon equal again.

Divorces in Washington Territory.—Gov. Pickering, in his message last week before the Council and House of Representatives of Washington Territory, speaks as follows on the law of Divorce:—"I trust I shall not be considered as speaking unadvisedly in paying a just tribute of respect for the very proper conduct of the Legislature of the last session, in its refusal to grant divorces, which tended to redeem the character of the Territory from that obloquy which has become attached to it by reason of previous Legislatures granting divorces so readily to all applicants. The conduct of the last session was pre-eminently just and proper, in steadily refusing to grant divorces. And I would here express the earnest hope that your honorable body will pursue the same course, and leave the subject of divorces to the Judicial Tribunals of the Territory, where it properly belongs."

Marine Disasters.—The ship *Narragansett*, which arrived from Bellingham Bay with a cargo of coal, drifted ashore off Black Point. The steamtug *Hercules* went to her assistance and parted three hawsers in ineffectual attempts to get her off. It is thought she will be extricated from her perilous position at the next flood tide. The bark *Florence*, from Puget Sound, lays at anchor in the south bend just outside the heads. The steamer *Shubrick* has gone to her assistance. Unless the wind moderates it is feared she will drag her anchors and go ashore.—*Bulletin.*

The End of the Schleswig-Holstein Question.—We copy the following from the N. Y. *Tribune* of November 11th:

The Schleswig-Holstein question, which during the former part of the year threatened to become one of the most serious European complications, has been finally solved by a treaty of peace signed at Vienna on the thirtieth of October. The treaty still needs ratification by the Danish Rigsraad, but no one doubts that the ratification will be given, and that the cause of the long feud between Danes and Germans be permanently removed.

The details of the treaty do not materially differ from the articles of the preliminary peace which was agreed upon by the belligerent powers several months ago. Denmark cedes the three Duchies of Schleswig, Holstein and Lauenburg to the victors, and pays to the Duchies a fixed sum for their claims to the common property of the former Danish monarchy. Schleswig and Holstein will be held by the Prussians and Austrians until the German diet shall have decreed the rival claims of the Prince Augustenburg and the Grand Duke of Oldenburg to succession in the two duchies. This decision will undoubtedly be respected by Prussia, Austria and the European Powers generally. The little Duchy of Lauenburg, to which neither of the two German sovereigns just named lays any claim, is likely to be annexed to Prussia in accordance with the vote of the Diet of the Duchy.

A division of Schleswig on the basis of nationality, and in accordance with the preference expressed by the majority of the people in the several districts and towns, would have secured the approval of most European liberals. But even with the present solution the question is not likely ever to be [illegible] again. The number of Danes in Schleswig who prefer annexation to Denmark is comparatively small, and unable to cause any serious troubles in future. The treaty of peace may, therefore, be regarded as another step toward a permanent solution of the nationality question, in which the progressive party of all Europe is deeply concerned. For in proportion as the feuds about the rights of nationalities are settled, and the frontiers of European countries are readjusted in conformity with the actual extent of the different nationalities, the greatest obstacle to the success of the progressive party of Europe will be removed, and an important battle in its war against monarchy and aristocracy will have been won.

Criminal Action for Libel.—A criminal action has been commenced against D. O. McCarthy, editor, proprietor and publisher of the *American Flag* in this city, for a numerous series of gross libels published in that paper commencing in May last and extending to the present month of December, affecting the private character and reputation of James Nisbet, one of the editors and proprietors of the *Bulletin*. A warrant was issued for the apprehension of McCarthy, upon which he was arrested and gave bail.—*Bulletin.*

Death of a Ship Master.—Captain Watts, master of the British ship *Tribute Bird*, died suddenly a few days after the accident to his ship at Port Angeles. The cause of death is said to have been apoplexy. The vessel is now laying waterlogged at [illegible] with 11 feet of water in her hold. She had a very heavy [illegible] of lumber, having [illegible] M feet of a deck load.—*British Colonist.*

THE IDAHO HIGHWAYMEN.—Sheriff Fisk arrived from Victoria, by the steamship *Brother Jonathan*, bringing with him Lawrence Dulligan, *alias* "Brockie Jack" and George Smith, two of the Idaho highwaymen, connected in the robbery of the Overland Stage on the 20th of August last, at Port Neuf Canyon, between Virginia City, Montana, and Salt Lake. They will be taken to Idaho for trial. The robbers are quartered in the county jail, in this city, strongly ironed, and will be [illegible] [illegible] with to-day, if possible. The information upon which they have been identified seemed very explicit, so much so that Smith exclaimed, "That 's me, sure!" when the description was being read in Court at Victoria during the examination there. Brockie seemed to have no particular objection to return to Idaho with Mr. Fisk and even put a merry face on the matter, during his examination, and wished to know who would pay the expenses if the pair proved their innocence in Idaho. Dulligan thought it just as easy for the authorities to come to Victoria and prove their guilt, as it was for them (the robbers) to go to Idaho and establish their innocence, but the magistrate, Mr. Pemberton, ordered that the prisoners be kept in close confinement until the American officer was ready to convey them away, and in thus doing has not only carried out the right measures to secure justice in this case, but has set a very good example to work by in similar circumstances. The Police and all public officers of the British Possessions, who have been instrumental in the arrest and detention of these criminals, are alike entitled to praise for their efforts.

RECORDER'S COURT.—The docket of the Recorder's Court for two days past has been what might be termed a "sickener," and foots up a huge amount of business for the holidays. The following cases of violent and disorderly conduct were disposed of: Wm. R. Hill, fined $25 and costs, paid; Saul. Birnshein, fined $20 and costs, paid; Michael Closey, $20 and costs, and in default committed to jail for five days; Geo. W. Watkins, $15 and costs, paid; Levy Tenor, $20 and costs, paid; James Baker, $20 and costs, and in default committed to jail for five days. The following drunk and disorderly: James Watson, $10 and costs, paid; Isaac Henechem, $25 and costs, and in default committed to jail for six days; Wm. Allman, $15 and costs, paid; J. Cassas committed for three days; M. Riley, committed for three days; also three soldiers committed for one day each. In an action on behalf of the State *vs.* Jas. Baker, defendant was discharged. In an action on behalf of the State *vs.* Andrew Johnson, Jos. Bonnett and Levy Tenor, charged with setting up a gambling device, Bonnett and Johnson were discharged, and Levy Tenor was bound over to appear at the Circuit Court, and required to give bail in the sum of $1,000. Three witnesses were bound over in the sums of $300, $200 and $150 each respectively, for their appearance in the same case. The case of the State *vs.* Geo. W. Watkins set for trial this morning; also the case of the City *vs.* Joseph Webber, was set for this morning, on a charge of conducting a hurdy gurdy saloon without license.

GRAIN WANTED AT TUM WATER.—Besides the demands of California, and that for our own milling purposes, there is an inquiry for the wheat product of our Valley, for shipment to Tum Water where it can be converted into flour and exported to the Victoria market. This is owing mainly to the "stampede" of farmers on the Sound, to the Boise and other mines, leaving uncultivated the rich lands in that vicinity. Oregon farmers used to "go so," but they have found, as our Territorial neighbors will find, that a good farm and a contented disposition are of more worth than a gold mine. Double the number of acres could now be cultivated with profit, in this State alone.

NAVIGATION.—The steamer *Wilson G. Hunt*, Capt. Wolfe, arrived from the Cascades last evening, having been met with the steamer *Oneonta* from the Dalles. The ice broke away from below the Dalles on Monday night, and yesterday the steamer left there, meeting with but little trouble to connect. The *Hunt* brings Wells, Fargo & Co's Express, with a light treasure, and about sixty passengers. The regular trips will be resumed today. The water of the Willamette has risen four feet since Saturday night, but was at a stand yesterday afternoon.

NEW YEAR'S DAY.—By telegraph we are informed that the merchants and business men of San Francisco generally observed Christmas on Monday, by closing their establishments and participating in the festival occasion. We regret not being able to say the same of our own business community. With few exceptions there was no apparent thought given to the matter, and we have been solicited to intimate that New Year's Day be observed on the 2d, with becoming gravity. We intend to make our "calls" on Monday, and shall "shut up shop" for that purpose.

THE JEWISH LADIES BALL.—Last evening the Jewish Ladies' Benevolent Association gave a ball at Turn Verien Hall, for the benefit of that Society. Availing ourself of the courtesy extended to us, we are indebted to the ladies for an evening of much enjoyment. The hall was tastefully decorated with festoons and wreaths of evergreen, and with handsome flags. The floor was in good condition, and the music excellent, and these indispensable adjuncts to pleasant dancing were appreciated and enjoyed by all present. The attendance was numerous, though not sufficient to inconveniently crowd the hall. We consider the Jewish Ladies Ball a fine affair, and sincerely hope they met with what their efforts highly deserve—success in their laudable undertaking.

OREGONIANS FOR SAN FRANCISCO.—The steamship which left for San Francisco last night carried quite a number of our most prominent citizens on a visit to California. We noticed booked for the voyage: Hon. Amory Holbrook, Mr. R. R. Thompson, Wm. H. Reed, Esq., Superintendent of Wells, Fargo & Co.'s Express, Mark A. King, P. F. Bradford, and others. We cordially wish them a pleasant visit and safe return.

TREASURE BY THE STEAMSHIP.—The steamship *Brother Jonathan*, which sailed for San Francisco last night carried $16[illegible],500 in treasure shipped by parties as follows:

Wells, Fargo & Co	$150,000
Ladd & Tilton	6,500
Other parties	12,000
Total	$1[illegible],500

A HEAVY SEA.—The Steamship *Brother Jonathan* met with something of a storm before entering the Columbia river, as was attested by the shattered appearance of the pilot house, and the starboard wheel house of the vessel. We understand the damage was done in "shipping a heavy sea," but no mention was made of it in the memoranda.

COURTS OF MULTNOMAH COUNTY.—The Courts of this county convene during the month of January as follows: County Court, Marquam Judge, Monday January 2d; Circuit Court, Shattuck Judge, special term, Monday 9th.

ABOVE THE FALLS.—The new steamer *Heleme* of the P. T. Company's line, on the upper Willamette river, has been making a few trips with freight, and will commence carrying passengers on Monday next. The steamer *Enterprise* will leave Canemah to-day for Lancaster and Eugene City, on the arrival of the *Senator* from Portland.

A FINE YIELD.—Mr. Alfred Wilson of Yamhill county has presented us with samples of potatoes raised by him the past season. We are informed that 100 lbs., nearly two bushels, were taken from a single hill; they are of the Red Kidney variety.

THE Ladies of the Christian Commission are requested to meet at the vestry of the Presbyterian Church on this Wednesday evening, December 28th.

VANCOUVER SANITARY AID SOCIETY.—There will be a meeting of the Vancouver Sanitary Aid Society at the M. E. Church on Thursday, Dec. 29th. A full attendance is requested as business of importance is to be transacted.

HOSTETTER'S
CELEBRATED
STOMACH BITTERS.

THE OPERATION OF THIS PALATABLE REMEDY upon the stomach, liver and excretory organs is singularly soothing and conservative. It regulates, recruits and vivifies them. Dyspepsia in all its forms yields to its control and invigorating properties.

Invigorate the System.

Vigorous digestion and [illegible] produce nutritious blood, and nutritious blood a healthy frame. Does the victim of dyspepsia [illegible] and [illegible] liver desire to know how the digestion may be improved, the bile and other fluids of the body purified?

Dr. Hostetter's Stomach Bitters

Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which dissolve the food, strengthen every relaxed nerve, muscle and fibre, and brings the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.

The best means of imparting vigor to the broken-down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.

Debility, from whatever cause arising, may be cured; strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For indigestion and all its painful effects, bodily and mental, they are a positive specific.

A Word to the Aged!

In the decline of life, the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters.

As an invigorant and restorative, immediate in its beneficial action and permanent in its effects. It tones the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females:

Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which, as a sex, they are subject. It cheers and enlivens the depressed mental powers, as well as strengthens the body, and its use is never followed by any reaction.

Cure Your Cold, Save Your Lungs.

NEWELL'S
PULMONARY SYRUP
HAS
CURED THOUSANDS!
And it will Cure You!

"A Cough is generally the effect of a Cold, which has either been improperly treated or entirely neglected. When it proves obstinate there is

Always reason to fear the consequences,

as this shows a weak state of the lungs, and is often the forerunner of Consumption.—[Buchanan's Domestic Medicine.

STOP THAN COUGHING!

Some of you can't, and we pity you. You have tried every remedy but the one destined, by its intrinsic merit, to supercede all similar preparations. It is not surprising you should be reluctant to try something else after the many experiments you have made of trashy compounds foisted on the public as a certain cure, but

NEWELL'S
Pulmonary Syrup!

Is really the VERY BEST remedy ever compounded for the cure of Coughs, Colds, Sore Throat, Asthma, Whooping Cough, Bronchitis and Consumption. Thousands of people in California and Oregon have been already benefited by its surprising curative powers.

WHAT KILLED HIM!

Dr. Hall, in his "Journal of Health," speaking of the death of Washington Irving, asks the above question, and adds: "He might have remained with us for some years to come, had it not been for advice, kindly intended, no doubt, but given in thoughtlessness and reckless ignorance.

He Had a Cold!

Which, by some injudicious prescription, had been converted into asthma." Let me say to Dr. Hall that that "prescription" was not

NEWELL'S PULMONARY SYRUP.

KEEP IT IN THE HOUSE, use it freely, give it to your children upon the slightest indications of a Cold, and you will think and speak of it as all do who have become acquainted with its merits.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DISCOVERY of the age. It is found upon the

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the great and ability which have been devoted to its investigation, it remained almost useless until Dr. Henry Anders, an eminent Chemist of New York, after years of patient study and experiment, discovered a method of rendering it soluble to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This discovery impossible by the scientific world, is attested by Certificates of analysis from Dr. Chilton, of New York, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty, that it was published in the Medical Journals, and its use recommended to practitioners, (see American Medical Monthly," July 6, 1856, page [illegible])

The Iodine Water is now available to the public for the cure of Scrofula in all its forms, Consumption, Cancer, Ulcers, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, &c.

AS A TONIC.

Its operation is evinced by strengthening the digestive organs and increasing the appetite [illegible] the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Sold by all Druggists. Price, $1 per bottle. Prepared by Dr. H. Anders & Co., Physicians and Chemists, New York.

ALLEN'S
LUNG BALSAM!

The Remedy for Curing

CONSUMPTION, COUGHS, COLDS,
Asthma, Croup,

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction even in the MOST CONFIRMED CASES OF CONSUMPTION. IT IS WARRANTED NOT to produce costiveness, (which is the case with most remedies), or affect the head, as it contains no opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.

LE DOYEN'S
SARSAPARILLA, YELLOW DOCK
—AND—
IODINE ALTERATIVE
FOR THE
CONSTITUTION.

CLEANSE THE BLOOD.

WITH corrupt, disordered or vitiated Blood you must be sick all over. It may burst out in pimples or sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and repelling disease. Hence it rapidly cures a variety of complaints which are caused by impurities of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases.

Blood and Liver.

This valuable Medicine is now available to the public for the cure of

SCROFULA, CONSUMPTION, RHEUMATISM, CANCER,
HEART, LIVER AND KIDNEY DISEASES,
NEURALGIA, NERVOUS AFFECTIONS, BRONCHITIS,
DYSPEPSIA, &c.

AS A TONIC,

its operations are evinced by strengthening the digestive organs and increasing the appetite. In cases of Dyspepsia, Emaciation and Debility, an increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping over you, and should be averted by a timely use of the right remedy. Take Le Doyen's Sarsaparilla, and cleanse out the disordered system—purify the blood, and let the fluids move on unobstructed in health again.

AS A LITHONTRIPTIC,

it has no equal; being chemically combined with Iodine, it possesses in a high degree the power of dissolving Stone in the Bladder, and gravel of the kidneys, preventing gravel formation and enlargement of the prostrate glands, irritation of the neck of the bladder, dropsy, etc.
